

## GA 185 Easy Cut Cheese Coating

### **Description:**

**GA 185** Easy Cut Cheese Coating is intended to protect harder cheese and other foods from harmful fungal attack during the natural curing process. It exhibits barrier properties that reduce moisture loss during curing yet allow ripening. **GA 185** is formulated to have good adhesion to cheese and to be easier to cut with traditional wire cutters. **GA 185** conforms to FDA Regulation CFR 21 Section 177.1350.

**GA 185** dries as a clear, flexible film and can adapt to normal changes in cheese shape during aging. **GA 185** is made from synthetic polymers. **GA 185** is a harder skin coat than **GA 1280**.

### **Typical Properties:**

Solids:	50%
Viscosity:	6000 cP (DVIII, 25 C, #25, SSC)
pH:	4
Appearance:	White Liquid – Dries Clear & Glossy.
Odour:	Acidic.
Application Temp:	12°C to 22°C (Minimum Recommended 8 °C)
Wet Weight Coverage:	110g/m <sup>2</sup> to 200g/m <sup>2</sup>
Clean Up:	Water Soluble When Wet.
Shelf Life:	Min 12 months if stored correctly.
Pack Size:	15 kg Pail.

**Keep out of reach of children.**

### **Surface Preparation:**

Surfaces to be coated should be clean, dry. Cheese and other foods should have a water content below 40% prior to coating.

### **Applications**

After stirring well **GA 185** is ready to use and may be applied by brush or with a hygienic pad. Wipe away any excess adhesive with a sterile damp cloth.

**For First Aid, Fire, Storage, Disposal, Transport and all other relevant information, refer to SDS sheets.**

The representations and recommendations regarding the products are based on tests which we believe to be reliable. However, no guarantee of their accuracy can be made because of the great range of field conditions substrates and variations encountered in raw materials, manufacturing equipment and methods. Thus, the products are sold with a limited warranty only, and on the condition that purchasers will make their own tests to determine the suitability of the product for their particular purposes. Under no circumstances will G&A Adhesives Ltd be liable to anyone except for replacement of the products or refund of the purchase price
